SOCIALIST REPUBLIC OF VIETNAM

Hanoi, 27th April 2017

Respectfully to: Ministry of Science & Technology

First of all, the Japan Business Association in Vietnam ("JBAV") would like to express our sincere thanks to the Ministry of Science & Technology for supporting our us in updating new changes of laws and regulations in Vietnam through the years.

To our acknowledgement, at the end of March 2017, a Draft of Law amending and supplementing Law on Technology transfer 2006 (hereinafter referred to as the *"Draft of Law"*) was put forward at the 8th session of National Assembly Standing Committee. Through the information in the press, we learned that the Draft Law has changed a lot and complied with the opinions of the National Assembly delegation, as well as other agencies. We hope the opportunity to comment on this Draft of Law is still expanding with related business Associations.

With the role of the Association, via this document, *we respectfully ask of the Ministry to provide us with the latest draft law as well as share the revised plan of the Draft of Law* following the public roadmaps of submitting the Draft for approval in to National Assembly Meeting in May.

We would like to express our thank you and respectfully hope that the Ministry would continue to support us onwards. /.
