Hanoi, 09th February 2018

Respectfully to: Ministry of Science & Technology

First of all, the Japan Business Association in Vietnam ("JBAV") would like to express our sincere thanks to the Ministry of Science & Technology ("MOST") for openning the consultation on ***Draft Decree guiding Technology Transfer Law*** (hereinafter referred to as the *"Draft Decree"*).

After researching and comparing with the practice of our members, in order to comply with the law and avoid any shortcomings in implementation, we have several proposals as stated in Appendix enclosed herewith. Please kindly see attached file for further details.

We would like MOST to hold a seminar or direct meeting with members of JBAV in the near future for thorough discussion on concerns we have, as well as to provide our members with proper knowledge of legal spirit, through that enhance their compliance with the laws.

Finally, we look forward MOST to considering and clarifying our concerns, as well as provide clear guidelines on how to apply and comply when the Draft Decree comes into force.

We would like to express our thank you and respectfully hope that MOST would support us onwards./.
